Dear Club Member,

For many years the Columbia Tigers have been known for the strength of its football team. This year we hope to continue this tradition and have already begun planning for an outstanding season. We rely on the generosity of local businesses and individuals that serve and support our community to be able to meet the needs of our football program. We must continue to deliver leadership, education, and discipline to our student athletes. It's the club's goal to provide the necessary tools, supplies, and funds it takes to support our young athletes.

Many of our major projects are listed below and will come due over the summer. Please consider a sponsorship and help us meet our goal.

Summer FCA Camp and Clinics:	\$ 11,000.00
Player Cleats for those attending summer workouts:	\$ 11,000.00
Player meals	\$ 7,000.00
Player Nutrition Supplements	\$ 15,000.00

Thank You again for your continued support of Tiger Football. GO TIGERS!!!
